

## Requirement Gathering and Analysis Phase

### Data Flow Diagram & User Stories

Date	6 July 2024
Team ID	SWTID1720110658
Project Name	BookStore
Maximum Marks	-

#### Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

## User Stories
